

DESCRIPTION:	Patch and Seal Waterproof Tape
PACK SIZES:	4in x 10ft - 12 Per Box 2in x 10ft - 24 Per Box
COLORS:	Black or White

GLUEANGEL G FLEX TAPE is an all-weather, flexible butyl patch and shield repair tape. It is dimensionally stable from -70°F to 200°F and will not ooze, drip or slip while under compression. GlueDevil G Flex Tape provides a quick permanent repair solution and conforms easily to any substrate or material with a total thickness of 30mm (+/- 2mm) (ASTM D1777).

G FLEX PATCH & SEAL

DIRECTIONS: 1. Surface must be clean and dry. 2. Remove the release liner at one end and apply to the surface. 3. Avoid stretching the tape. Apply extra pressure to the tape to seal the bond.

UV RESISTANT

WATERPROOF

3 EASY STEPS

APPLICATIONS:

GlueAngel G FLEX TAPE is flexible and readily conforms to shapes, making it well suited for sealing roof joints (seams) and tears, flashings, copings, skylights, gutters, or any other curved equipment, etc. Perfect for repairing and restoring roofs on mobile homes and RVs, trucks and vans, garden sheds, tarpaulins, along with some unpressurized piping.
